Re: Acknowledgement of Receipt Letter regarding "Special Notice of Liability for the
Sauget Area 2 Site, Operable Unit 1, Sauget and Cahokia, St. Clair County, Illinois,"
dated August 1, 2017 ("Notice Letter"), by ExxonMobil Oil Corporation

Dear Ms. Linebaugh and Attorney Martin:

I am writing on behalf of my client, ExxonMobil Oil Corporation, to acknowledge receipt of the above-referenced "Notice Letter" addressed to Mr. Darren W. Wood, Chief Executive Officer of ExxonMobil Corporation. Please note, for future reference, that the entity at issue with regard to both the Sauget Area 1 and Area 2 Sites is ExxonMobil Oil Corporation ("ExxonMobil Oil"). As you are aware, ExxonMobil Oil has been actively participating through the existing PRP group in connection with the various activities outlined in the Notice Letter regarding Sauget Area 2, Operable Unit 1. ExxonMobil Oil welcomes the opportunity to continue this participation. We have been in communication with counsel for the Monsanto/Pharmacia/Solutia interests at this site and anticipate ExxonMobil Oil's participation prospectively will be in coordination with or through those interests.

Future communication and/or correspondence on this matter should be directed to the undersigned and:

Kevin J. Vaughan,
Counsel, Environmental & Safety
